

SIKKIM ALPINE UNIVERSITY

REPORT ON FREE REMEDIAL UGC & CSIR NET COACHING

About the Free UGC/CSIR-NET Remedial Class

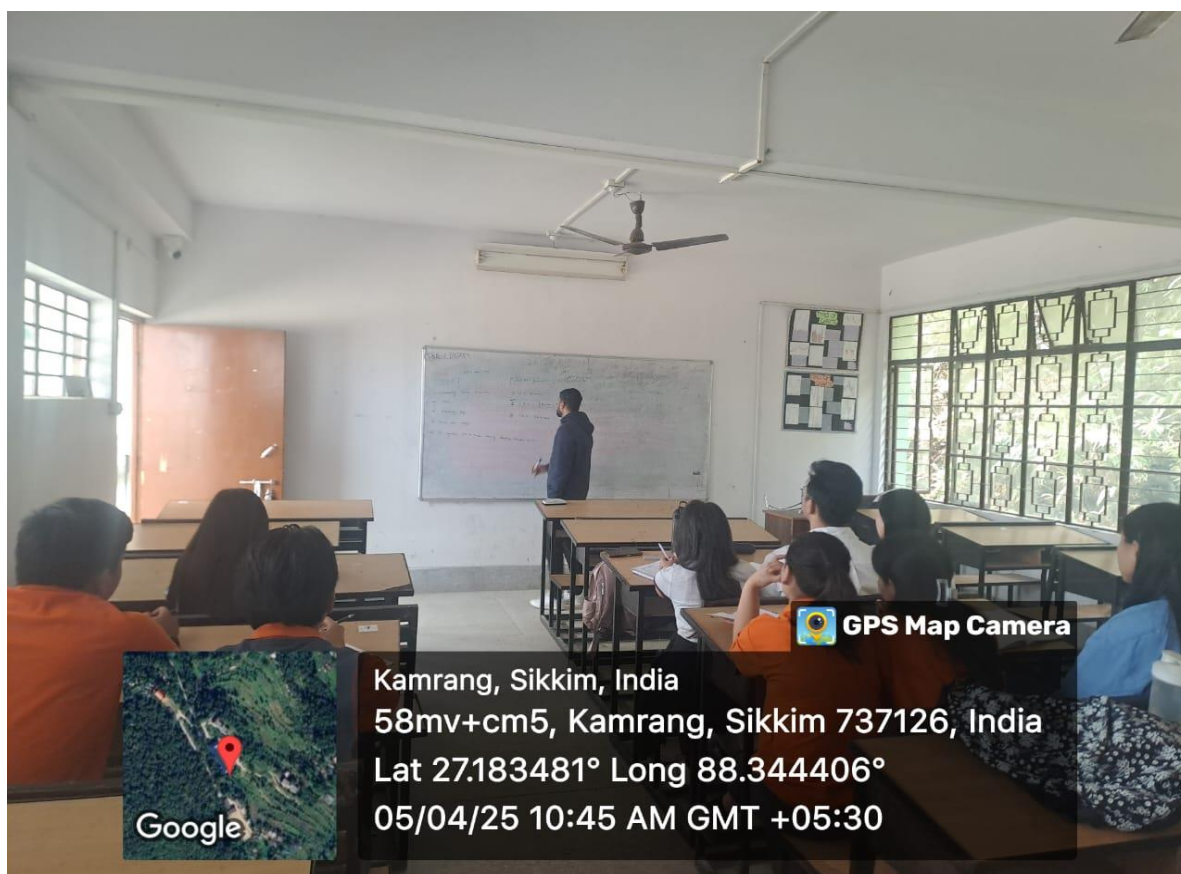

UGC/CSIR-NET free coaching session is functioning in Sikkim Alpine University, Kamrang, Namchi Sikkim-737126 since 2024-2025. Realizing the need of students with regard to proper competitive exam guidance, Sikkim Alpine University launched this session. We provide training to face top level competitive examinations for all discipline using modern teaching equipment's and techniques. Overall, this program is launched for the benefit of the aspirant. As many of our students aspire to crack the UGC-NET examination to pursue their academic and research goals.

Hence keeping it all in mind this session is launched and designed to simplify the process of preparation for learners with appropriate knowledge and skills. This session aims to provide simple and exhaustive ways of Teaching through interactive and practice sessions along with statistical data behind. This session is well designed and structured to cover the topic outlined in the cotemporary world.

OBJECTIVES OF THE SESSION:

The session objective is to cater the students' competitive need, including those from the local and rural areas to achieve their academic goals. To deliver the best study materials featuring concise and compete theory lessons, help the students to realize their potential, to expand and enrich the knowledge base of the students, customized teaching techniques tailor made for each and every student. The specific objectives are;

- 1) To help the students familiarize with the concepts.
- 2) To train the students in order to face the UGC/CSIR-NET examination.
- 3) To help the students in descriptive and inferential analysis.
- 4) To develop confidence among the students.
- 6) To guide students for publishable technical writings.

Dear Assistant Professors, the UGC/CSIR - NET free coaching classes for all Students (Final Year) are successfully started and going on as per the schedule already provided to all the departments, as an Academician and Coordinator of the UGC/CSIR - NET free coaching classes, I express my sincere gratitude and thanks for our Honourable Vice Chancellor, Registrar, and Assistant Registrar (Examination) for their efforts for the academic success of the students. Mr. Anupam Khatiwada, Assistant Professor of Commerce Department is handling the class., thanks with warm regards by. Mr. Mickhil Kami, Assistant Professor of Department of Management.

Student participation for the free UGC NET session by clearing their doubts and actively engaging to solve previous year paper by themselves. The task was given by their faculty members to learn by themselves to boost their confidence for the UGC NET exam.

Dr. Bharath Narayanan, Associate Professor and Head, Department of Special Education is handling the class and discussion with the students about the nature and pattern of UGC/CSIR-NET examination.

Ms. Sonam Wangkee, Assistant Professor, Department of Management is handling the class and discussion with the students about the nature and paper 1 question pattern of UGC/CSIR-NET examination.
