

REPORT ON EPFO AWARENESS PROGRAMME

Venue- sunakhari campus, auditorium hall

Date- 27th May 2026

An EPFO Awareness Programme under the initiative “Nidhi Aapke Nikat 2.0” was successfully conducted at Sunakhari Campus, Sikkim Alpine University, on 27th May 2026. The programme was organized with the objective of creating awareness among faculty and staff members regarding Employees’ Provident Fund (EPF) services, benefits, grievance redressal mechanisms, and other related facilities.

The programme witnessed the presence of Deputy Registrar, Dr. Sareena Subba, along with faculty and staff members of the University. The guests and everyone present were warmly welcomed by Ms. Shristi Sharma, Event and Media Coordinator, on behalf of Sikkim Alpine University. The programme commenced with an introduction to the objectives of the awareness session and the importance of employee welfare schemes.

The programme was attended by EPFO officials, including Mr. Kesang Namthak Tenzing, Regional Provident Fund Commissioner, Gangtok, Mr. Dinesh Kumar Pradhan, Section Supervisor, and Mr. Tshering Gyalsen Sherpa, Social Security Assistant (SSA). During the session, the officials provided detailed information on various aspects of Provident Fund services, including UAN-related facilities, claim settlement procedures, employee benefits, and grievance redressal systems.

The session was highly interactive, with faculty and staff members actively participating and raising several queries related to PF matters. The EPFO officials addressed the questions and concerns of the participants in a clear and informative manner, helping them gain a better understanding of the services and benefits available under the EPFO.

The awareness programme proved to be highly beneficial for the faculty and staff members as it enhanced their understanding of EPFO services and helped clarify various PF-related issues. Overall, the programme was conducted successfully and achieved its objective of spreading awareness about EPFO services and benefits among the University community. The active participation of the faculty and staff contributed significantly to the success of the programme.
